

# I1 M253 Tree

k nordtvedt  
1 May 2012

The arrowheads → indicate time when the clade founders lived. Their expanding bush of descendants are to their right unshown.

Warning: Nodes are not all tmrca'ed yet. Tree is in part just a snp-ordered tree at the moment. Meaty clades are indicated where snp status is known. Vertical red lines are tmrca'ed.

Every branch line shown may lead to generics as well as the indicated clades
